Student Art Display

The university is currently considering possible locations on campus for displaying paintings and other artwork by students. I think the lobby at the entrance to the student center would be a great location. Since many students pass through the student center every day, artwork displayed in the lobby would be viewed by hundreds of people . Also, because the whole front of the building is made of glass windows, the lobby is filled with natural light. This makes it perfect for displaying artwork, which should have plenty of light to be seen and appreciated.

Sincerely,
Paul Sands

History Seminars Should Be Shorter

Currently, all of the seminar classes in the history department are three hours long. I would like to propose that history seminars be shortened to two hours. I make this proposal for two reasons. First, most students just cannot concentrate for three hours straight. I myself have taken these three-hour seminars and found them tiring and sometimes boring. Also, when a seminar lasts that long, people stop concentrating and stop learning, so the third hour of a three-hour seminar is a waste of everyone's time. Two-hour seminars would be much more efficient.

Letter in the Centerville College News

The administration has plans to acquire a new sculpture for campus. We should all oppose this plan. The university's poor financial condition led it to increase the price for campus housing and tuition by 15% this past year. Surely then it is in no financial position to purchase such an expensive sculpture. Moreover, just look at the sculpture: several 60-foot long steel plates, jutting out of the earth at odd angles! It's so large, it'll take up all the green space in front of the campus center! This is public space that should be reserved for students to use.

公告：广场舞大动员

经学校领导严肃认真的讨论，为了给建设文明社区出一份力。从下周一开始，所有大一新生每天都必须参加社区的广场舞活动。首先，现在社会宅男宅女太多了。学生们需要多出去运动，参加像广场舞这样优秀的运动，非常有益身心健康。其次，以舞会友是中华民族的传统美德。积极参加社区广场舞活动可以广交朋友，说不定可以帮助死宅们找到一生所爱，解决终身大事。

Hot Breakfasts Eliminated

Beginning next month, Dining Services will no longer serve hot breakfast foods at university dining halls. Instead, students will be offered a wide assortment of cold breakfast items in the morning. These cold breakfast foods, such as breads, fruit, and yogurt, are healthier than many of the hot breakfast items that we will stop serving, so health-conscious students should welcome this change. Students will benefit in another way as well, because limiting the breakfast selection to cold food items will save money and allow us to keep our meal plans affordable.
